

# Emily Melendez

## Front-End Developer

(484)-278-3835

emily.melendez4@gmail.com

## EXPERIENCE

### **Chariot Solutions / Software Consultant**

Nov 2017 - PRESENT, Fort Washington, PA / Remote

Worked with a team to build an enterprise web application for a large surety company. Primarily contributed to the front-end with the Angular framework using TS/HTML/SCSS, occasionally made minor contributions to the Java/Spring back-end as needed.

### **Chariot Solutions / Graphic and Digital Marketing Assistant**

Aug 2016 - Nov 2017, Fort Washington, PA

Worked under the CMO of Chariot Solutions to manage WordPress pages for the company website. Also created graphical content for social media, ads, and conferences - everything from 2D designs to videography, editing and animation.

### **Techgirlz / Webmaster**

Feb 2017 - Sept 2017, Fort Washington, PA

Was responsible for updates to the non-profit company's WordPress site. Also created email campaigns via MailChimp with custom HTML, and did a variety of creative work such as editing promotional videos, creating infographics, creating PowerPoint presentations, and designing t-shirts.

### **Wisdom + Craft / Design Researcher**

Oct 2015 - Mar 2016, Holmdel, NJ

Compiled research into well-written comprehensive documents, made updates to clients' WordPress websites, and created custom HTML email templates.

## SKILLS AND TECHNOLOGIES
